REPORT TO THE COMMUNITY 2021

A Letter from the CEO and Board Chairs

It is with enormous pride and gratitude that we present this **Report to the Community**.

We are proud to honor the individuals and organizations who have supported Jewish Senior *Life* Foundation over the past year, and we are overwhelmed by the remarkable spirit of generosity demonstrated by you and all of our donors! Even in the wake of a global pandemic with its unprecedented challenges, our loyal supporters and new friends alike stepped up to support our vital mission.

Jewish Senior *Life* (JSL) is known for its compassionate care, impeccable quality, beautiful facilities, and outstanding staff whose passion for their work earned JSL the highly esteemed Great Place to Work® designation.

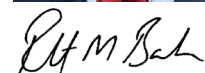

None of this would be possible without the Jewish Senior *Life* Foundation, which directly supports our residents, their families, our employees and members of our broader community with a vast array of vibrant programs that enhance the lives of individuals both on- and off-campus.

You'll see the Foundation's work in action across our entire continuum of care, from religious and spiritual care and creative arts to special programming and cultural events. Our Foundation plays a vital role in attracting and retaining staff by providing tuition benefits to employees who want to advance their education and grow their careers with us as well as reward and recognition programs such as the annual employee picnic and our "Everyday Hero" program. The Foundation also provides support through equipment, technology and physical plant enhancements.

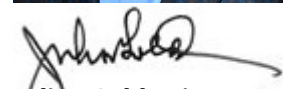

At a time when financial resources are limited and the need for our services grows exponentially, we simply could not provide the level and kind of care that we do without support from the Foundation. Thank you for your unwavering generosity. Your gifts put the *Life* in Jewish Senior *Life*!

Golden Alliance

Since it was founded in 1988, the Golden Alliance, including the Platinum Circle, has raised more than \$10,000,000 for Jewish Senior Life. Golden Alliance support makes possible a multitude of programs that help keep our older adults healthy and engaged. We would not be able to offer the same level of care that we are so proud of if it were not for the dedicated donors of our Golden Alliance Giving Society.
